Sub: - Product Feedback.

Dear Sir,

This is with reference to our purchase of overhead plastic water tanks. In the year 2007, we used your ISI marked tank at our esteemed project "Neyveli Lignite Corporation Ltd, Township project at Barsingsar, Bikaner in the Brand name of "**Modi Aqua fill**" (Quantity 500 ltr x 350 Nos Approx).

We are fairly satisfied with the performance of your product and wish to use the product again in future also.

Hope that you will continue your best of services to us.

Regards,

Yours truly
Offshore Infrastructures Ltd.
